

The 2020-21 academic year has been one of
growth and challenge, not only in

LEARNING IMPACT

2024 saw an expansion of DEI learning opportunities for students, faculty, and staff here at Scripps. The Equity and Justice team collaborated with internal and external partners to provide trainings and webinars to expand our community's understanding and application of inclusion, diversity, equity, and access. We also continued our membership in the Liberal Arts College Racial Equity Leadership Alliance (LACRELA).
